Dear Mr England

We are sending you this letter so you can check that we have recorded your replies to offers accurately. The codes we use to show your position are explained at the bottom of this letter. If any of the replies are incorrect you must contact our Customer Service Unit immediately. We will be able to amend the replies within seven days of when they were initially made. Calls from BT landlines within the UK will cost no more than nine pence per minute. The cost of calls from mobiles and other networks may vary.

If you are studying for any of the qualifications listed on our website (see the back of this letter), we will send your results to the universities and colleges at which you have accepted a place. If you meet **all** the conditions of your offer, your place will be confirmed. You cannot turn that place down to become eligible for Clearing, or choose to accept your insurance choice if your firm choice has confirmed your place. You **automatically** become eligible for Clearing if the universities or colleges at which you have accepted places do not confirm them when they receive your exam results. **We will write to you at this point whatever decisions your universities or colleges reach.**

If you are studying other qualifications you must send the results as soon as you have them to the universities and colleges where you have accepted a place.
