

What^{do} graduates do?

Career planning for higher education and beyond

A comprehensive look at the graduate employment market. Includes a wealth of useful information and articles across 26 subjects, to show what graduates went on to do.

Have they got jobs? If they have, what are they doing? Or have they gone on to further study?

What Do Graduates Do? will help advisers with a wide range of guidance work and will provide an insight into the nature of graduate employment. It also aims to help students understand the impact a degree, foundation course or HND will have.

Includes:

- latest information and trends
- graduate employment review
- articles offering insight into each subject area
- what employers really want in a graduate
- references to further reading and websites.
