COME AND SEE US AT HOME!

Everyone has got to start somewhere.

At UCAS we fully realise that the world of University Admissions can seem complex for new post-16 tutors. With a 1001 things to get to know and lots of different demands on your time, how can you quickly get up to speed?

That's where we come in.

With beginners in mind, we have devised a number of special events at UCAS that aim to provide everything you need to know to operate confidently as an applicant advisor. Furthermore, each Wider Picture 'The Knowledge' session, benefits from unique behind the scenes access to key parts of UCAS. Add in the fact that our presenters are chosen for their ability to engage and stimulate, rather than bore and you have the perfect day out.

We'll even provide you with a free pack of UCAS core publications!

To secure your place, please complete and return the enclosed booking form.
