Definitions

Subject

Grouping of applicants chosen instrument into the following groups: 'Dance', 'Drama Performance', 'Drama Production', 'Music' and 'Musical Theatre'.

POLAR3 Quintile

Developed by HEFCE, POLAR3 classifies small areas across the UK into five groups according to their level of young participation in Higher Education. Each of these groups represents around 20 per cent of young people and is ranked from Quintile 1 (areas with the lowest young participation rates, considered as the most disadvantaged) to Quintile 5 (highest young participation rates, considered most advantaged). These groups are assigned using the postcode declared by the applicant at the time of their application. If a UK postcode is invalid, considered unsafe for measurement or there is no link to Census geography possible then the applicant is classified as 'Not Assigned'.

Cycle year

The application year in which the application was processed.

Applications

An application is defined as a choice to a course in higher education through the UCAS Conservatoires scheme. Each applicant can make up to six choices.
