

## GUIDELINES FOR EQUIVALENCE TO GCSE ENGLISH AND MATHEMATICS B GRADE FOR ENTRY TO INITIAL TEACHER EDUCATION AND TRAINING IN WALES

This paper has been agreed by an all-Wales working group of admissions and academic staff to enable a consistent approach across Wales for those who are applying to courses of initial teacher education and training (ITET). The content of this paper will be reviewed annually.

All ITET provision in Wales now require a minimum B grade or equivalent in English Language and Mathematics at GCSE to be eligible to apply for entry to ITET courses. For courses of primary ITET, a minimum C grade in science is also required.

Suitability for interview for an ITET place is at the discretion of the ITET provider and will be based on each applicant's overall profile.

## Notes

- Level 2 key skills and essential skills qualifications in application of number and communication are not sufficient to meet the requirements for entry to ITET.
- A CSE Grade 1 in English or mathematics will not be acceptable as GCSE B grade equivalent.
- A GCSE Statistics Grade $B$ is not an acceptable equivalent qualification.
- Candidates who are not able to supply evidence of equivalent qualifications should contact individual institutions for advice.
- Please check with individual institutions to ensure that equivalent qualifications are acceptable.

## Equivalent overseas qualifications

- The National Academic Recognition Information Centre (NARIC) provides guidance on whether an overseas qualification is comparable in standard to a given UK qualification, but decisions about suitability for entry to ITET courses remain at the discretion of ITT providers.
- There is a requirement that applicants are able to demonstrate equivalent qualifications at a B grade level in GCSE English Language and Mathematics.

A list of proposed equivalents for English Language and Mathematics B grades follows. The list is for guidance only and is not exhaustive. The following are baseline expectations which may be considered at institutions as minimum entry requirements in relation to equivalents for GCSE B grade English Language and Mathematics.

English

| Achievement | GCSE B grade equivalence guidance |
| :--- | :--- |
| Access | 15 credits with a minimum of 3 credits at Level 3 within English <br> units (Agored Cymru) <br> *Individual institutions should be consulted. |
| GCE O level | English language B grade or above or equivalent (for example <br> pre-1970 achievement at Grades 1 to 4). Grade 5 from the <br> reformed GCSE's within England. |
| IGCSE/Cambridge <br> International Level 2 | English language B grade or above. |
| A2 | E grade or above in A2 English language (but not an O level <br> pass at A2 level sitting) |
| AS | C grade or above in AS English language. |
| Scottish Certificate of <br> Higher Education | Until 1985, B or above on the ordinary grade of the Scottish <br> certificate of education. <br> In or after 1986, grade 2 or above on the standard grade of the <br> Scottish certificate of education. <br> Grade B or above in the certificate of sixth-year studies in <br> English. |
| Irish Leaving Certificate | In or after 1975, leaving certificate at Grade B or above <br> (ordinary) or at Grade C or above (higher). |
| OU | A pass in any Level 1, 2 or 3 undergraduate (30 credit <br> minimum) module in English Language considered. |
| Certificate of Higher <br> Education or university <br> credits | Certificate of attainment in English at level 4 or above <br> (minimum of 20 credits). |
| International <br> Baccalaureate | Higher or subsidiary level in English language at a minimum of <br> Grade 3. |
| European baccalaureate | Pass (Grade 6 minimum) in English as a mother tongue or <br> English as a foreign language. <br> English language (mother tongue) pass (Grade 6 minimum). <br> language testing system <br> (IELTS) |
| BTEC | IELTS band score 7 or above in each component of the <br> 'academic' IELTS test. |
| achievement. |  |
| Narson BTEC (QCF)/OCR/NQF - First, National or Higher |  |

## Mathematics

| Achievement | GCSE B grade equivalence guidance |
| :--- | :--- |
| Access | 15 credits with a minimum of 3 at Level 3 within mathematical <br> units (Agored Cymru) <br> *Individual institutions should be consulted. |
| GCE O level | B grade or above in mathematics or subject with mathematics <br> in the title (for example commercial mathematics, technical <br> mathematics) or equivalent (for example pre-1970 achievement <br> at Grades 1 to 4). <br> IGCSE B grade or above. |
| IGCSE/ Cambridge <br> International Level 2 | B grade or above in mathematics. |
| A2 | E grade or above in A2 mathematics or any A2 level subject <br> with mathematics in its title. <br> A2 in statistics or mechanics (but not an O level pass achieved <br> at A level sitting). |
| AS | C grade or above AS in mathematics, mechanics, statistics, <br> additional statistics or pure mathematics. |
| Scottish Certificate of <br> Higher Education | Until 1985, B or above in mathematics on the ordinary grade of <br> the Scottish certificate of education. <br> In or after 1986, grade 2 or above on the standard grade of the <br> Scottish certificate of education. <br> Grade B or above in the certificate of sixth-year studies in <br> mathematics. |
| European baccalaureate | Pass (minimum Grade 6) in mathematics. |
| BTEC | Pearson BTEC (QCF)/OCR/NQF - First, National or Higher <br> National Diplomas dependent on level of study and <br> achievement. |
| Eertificate of Higher <br> Inedits Leavion or university | Certificate of attainment in Mathematics at level 4 or above <br> (minimum of 20 credits). |
| baccalaureate | In or after 1975, leaving certificate for mathematics at Grade B <br> or above (ordinary) or at Grade C or above (higher). <br> Grade 3. |
| Hisher subsidiary level in mathematics at a minimum of |  |
| minimum) module In Maths considered. |  |
