

N41: unconditional offers

Greater Brighton Metropolitan College (formerly Northbrook College and City College)'s perspective on unconditional offers:

All applicants who apply to Greater Brighton Metropolitan College are required to have a portfolio-based interview/ audition, before unconditional offers are made, including to applicants who have yet to complete their qualifications.

For the 2020 admissions cycle, the college is changing its admissions policy, whereby applicants will be required to successfully complete their qualifications as a condition to entry.

Definitions of offer types:

Unconditional offer

This is an offer made by a provider where they are satisfied that an individual has demonstrated sufficient attainment and potential to succeed on their chosen programme. Based on the offer status at the 30 June application deadline.

Conditional unconditional offer

An offer made by a provider which was originally conditional, but becomes unconditional if the applicant selects that offer as their firm (first) choice. By definition, conditional unconditional offers that are selected as a firm choice by the applicant become unconditional and are also included in the unconditional offers group (see above).

Offer with an unconditional component

All offers showing as having an element of unconditional offer-making, that is, unconditional offers plus conditional unconditional offers that have not been selected as firm (and hence remain conditional unconditional).

All offers

All offers made by the provider, subject to the coverage of this report. This includes conditional as well as unconditional offers to 18-year-old main scheme applicants domiciled in England, Northern Ireland, and Wales.

Technical note:

The coverage of this report is limited to offers made by 30 June, to 18-year-old main scheme applicants domiciled in England, Northern Ireland, and Wales. This is because these applicants are least likely to apply already having achieved a full set of qualifications typically required for undergraduate higher education.
