# VISITING TOP TIPS!

- Be prepared** – make the best use of your time and plan to visit the stands which are of most interest to you.
- Study the seminar programme** and arrive five minutes before the start.
- Get all the information** about the universities and courses you're interested in – take information home to study at a later date.
- Ask questions**, lots of questions! The exhibitors are here to help you, make the most of them.
- Most importantly **have fun!** There's a lot going on throughout the day, so get involved!

# DOs AND DON'Ts FOR PERSONAL STATEMENTS

## DOs

- > **Do** show you know your strengths and can outline your ideas clearly.
- > **Do** be enthusiastic – if you show you're interested in the course, it may help you get a place.
- > **Do** expect to produce several drafts of your personal statement before being totally happy with it.
- > **Do** ask people you trust for their feedback.

## DON'Ts

- > **Don't** exaggerate – if you do, you may get caught out in an interview when asked to elaborate on an interesting achievement.
- > **Don't** rely on a spellchecker, as it will not pick up everything – proofread your statement as many times as possible.
- > **Don't** leave it to the last minute – your statement will seem rushed, and important information could be left out.
- > **Don't** let spelling or grammatical errors spoil your statement.

## Remember

You can write up to 4,000 characters of text to show why you'd make a great student.

For more information, visit
