Accidents and near misses

If you are involved in, or witness, an accident or near miss while on-site, please report it to the organiser's office immediately, at the front of the hall.

Arrival

On arrival, please head to the main entrance of Manchester Central – you will see UCAS higher education flags.

Please have your ticket ready for inspection. If you don't have a ticket, please report to the on-site registration desk inside the hall entrance.

Your exhibition ticket is personal to you, and should not be passed on to other group members, as this could compromise the security of your data.

To comply with data protection regulations, it's essential that individuals at our exhibitions use their own ticket – both on entering, and when visiting exhibitors' stands. Anyone found to be in breach of this will be asked to leave the event and register again to be readmitted.

Please be aware, the venue will be conducting bag searches.

C

Car parking

Manchester Central has a 24-hour NCP car park located directly below the building, holding 720 cars, including 18 disabled bays. The maximum height of this car park is 1.98m.

The address is:
Lower Mosley Street
Manchester
M2 3GX

More information can be found on the [Manchester Central website](#).

Cash machine

There is a CashZone cashpoint in the central foyer, which charges 50p to use. Refreshments can be purchased by card.

Catering

There will be refreshments available for visitors to purchase in the main foyer, and the exhibitor and teacher lounge, at the back of the hall. The exhibitor and teacher lounge will be serving snacks and sandwiches – cash and card payments are accepted.

Cloakroom

There is a cloakroom service, at the main reception desk in the front foyer.

Coaches

If you're travelling by coach or minibus, please follow the directions of the traffic marshals.

If you are travelling by coach, there is a designated drop-off and pick-up area at the rear of Manchester Central. This is accessed via the ramp on Albion Street. Traffic marshals will direct your coach driver, and tell you when to disembark. You will be given a number for your coach – please make a note of this for when you're collected. **There is no coach parking on-site at Manchester Central.**

When you are ready to leave the exhibition, please ensure all your students are together and proceed along the walkway, back to the coach pick-up point. The traffic marshals will make sure your coach is ready, using the number you were given when you arrived. Due to a large number of coaches and the small space available, **it is essential to follow the traffic marshals' instructions at all times.**

For information regarding coach parking, please see the [Manchester City Council website](#). Alternatively, Manchester Central has also provided some [information on its website](#).
