

Class exercise

Confirmation

Confirmation is all about having your place confirmed, often after receiving exam results. Whenever you receive your results, and by whatever means, it's essential you understand exactly what you need to check to ensure your place at university or college is confirmed. This exercise sheet is designed to get you thinking about that process.

Work your way through the questions below.

1. What are the three most important things to check in anticipation of receiving your results?

- 1.
- 2.
- 3.

2. When, and where, will you receive your results?

ANSWER:

3. Where can you find out whether your place has been confirmed, once you have your results.

ANSWER:

4. There are three different scenarios when receiving results. Each then leads to a different course of action.

1. Results are below the conditions of your firm offer.

You could go to your insurance choice if it is confirmed. But, if your results also don't meet your insurance conditions, what is your option?

ANSWER:

2. Results equal the conditions of your firm choice.

What is your option here?

ANSWER:

3. Results meet and exceed the conditions of your firm choice. You have two options here.

What are they?

- 1.
- 2.

5. How do you know you have secured your place?

ANSWER:
