B.16 Technical notes and definitions

UCAS Teacher Training (UTT) provides an admissions system for higher education, SCITT-based, School Direct, School Direct (salaried) and PG Teaching Apprenticeship courses.

In January 2019, The Department for Education (DfE) released its new teacher recruitment and retention strategy. As part of this, DfE confirmed its intention to launch its own postgraduate teacher training admissions service in England. The pilot for this service went live in November 2019, with a continued roll-out during the 2020/21 recruitment cycle.

The statistics in this report reflect applications to postgraduate teacher training provision via either the UCAS service or the DfE service, covering the majority of the sector.

Applicants have been able to submit applications for all 2021 postgraduate teacher training courses since 13 October 2020. This report covers the applications made to any postgraduate teacher training course. Applications made through both the UCAS and DfE services (i.e. applications made by an applicant to the same provider and course) have had their duplicate removed from counts.

From the 2015 cycle onwards, teacher training courses for Scottish providers are included within the UCAS Undergraduate scheme and are reported there.

Values have been rounded to the nearest 10, this may result in instances where totals do not equal the sum of the components.

Age

This report uses country-specific age definitions which align with the cut-off points for school/college cohorts within the different administrations of the UK. For England and Wales ages are defined on 31 August 2021, for Northern Ireland on 1 July 2021 and for Scotland on 28 February 2022. Defining ages in this way matches the assignment of children to school cohorts. For applicants outside the UK, the cohort cut-off for England and Wales has been used.

Applicant

A person who has made an application to UTT or the DfE service during the cycle reported.

Application

An application to a course at a provider made by an applicant. Applicants may make up to three applications in Apply 1 and may only make one application at a time in Apply 2.

Application summary status

Applications have been assigned to a summary status based on their status. Applications are counted against each status and route they were made in. For Apply 2 only the latest application made is counted. The summary status is the application status from the following:

Placed: unconditional firm application.

Conditional placed: conditional firm application.

Holding offer: application with an unconditional or conditional offer and no reply.

Other: all other applications.

Application detailed status

Using the same methodology as the summary status, the detailed status is the application status from the following:

Placed: unconditional firm application.

Conditional placed: conditional firm application.

Unconditional offer: application with an unconditional offer and no reply.

Conditional offer: application with a conditional offer and no reply.

Pending provider decision: application that has not yet had a reply from a provider or has been invited to interview.

No current offer: application has either been unsuccessful, withdrawn, or any offer declined. This includes applications that received an offer which was later retracted, for example if the applicant did not meet all required conditions.

Application full status

Using the same methodology as the summary status, the full status is the application status from the following:

Placed: unconditional firm application.

Conditional placed: conditional firm application.

Unconditional offer: application with an unconditional offer and no reply.

Conditional offer: application with a conditional offer and no reply.

Interview request: application where the applicant has been invited to an interview.

Pending provider offer: application is waiting for provider decision.

Offer retracted or not made: application has either not received an offer, or has received an offer which was later retracted, for example if the applicant did not meet the conditions of the offer.

Offer declined: application which received a provider offer and was declined by the applicant.
Application withdrawn: application withdrawn from UTT.

Applications are counted against each status and route they were made in. For Apply 2 only the latest application made is counted.

If an applicant withdraws from UTT then all applications are treated as 'Withdrawn' in these tables.

Apply route

Applicants may make three applications through Apply 1 and one application at a time through Apply 2.

Applications are reported against the route they were made in.

For Apply 2 only the latest application made is counted.

Domicile

Declared area of permanent residence. The Channel Islands and the Isle of Man have been assigned as 'Not EU'.

Provider country and region

The country and region of the teacher training provider.

Course phase

The phase the application was made to. The course phase may be primary, secondary or other (middle is included in other).

Course type

The type of course the application was made to. The course type may be higher education, SCITT, School Direct, School Direct (salaried) and PG Teaching Apprenticeship.

Subjects

Subjects are reported for primary and secondary courses.

Only subjects that have at least 10 applications in total (to all UK providers) are reported on.

Secondary courses may have up to nine subjects assigned.

Applications to courses are counted against each course subject, which may result in applications to secondary courses being counted more than once.

Applications to courses with a single subject assigned are also reported separately.
