Dear Miss Nuttall,

We have been informed by University of Bristol that you do not intend to take up the place you were holding for Chemistry, F100. The course was due to start in 2017 and had a point of entry 1. If you did not want to withdraw your application, please [contact us](#) immediately on 0371 468 0 468 or +44 330 3330 230 (international) for advice. All calls will be charged at your standard network rate.

As you have been withdrawn completely from the UCAS Undergraduate scheme, you cannot be reconsidered again in this year's application cycle. You will, however, be able to reapply in next year's application cycle if you wish to do so.

We hope this makes your position clear and wish you every success with your future plans.

Yours sincerely

UCAS
