Dear [?title] [?surname]

We're writing to confirm that you have declined your offers – full details are shown below.

If you did not ask us to do this, it means we did not receive your replies by your given deadline. **If you intended to make replies, please contact our Customer Contact Centre on 0371 468 0 468 or +44 330 3330 230 (international) immediately\***.

If you have made fewer than the maximum five choices, and you haven't accepted any offers, you can add further choices to your application within 14 days of the decline date.

If you only made one choice and paid a reduced application fee of £20, you'll need to pay a further £5 to add more choices. By doing so, you'll also be able to use our [Clearing service](#) which allows you to look for a new course after results day.

Unfortunately, you don't have this option if you've already applied for a course in Extra; [see our website for more information about this service](#).

If you have any questions, please [contact us](#) on Twitter [@ucas\\_online](#), or through our [Facebook page](#). If you want to add choices or make an additional payment, please call our Customer Contact Centre as soon as possible.

Yours sincerely

UCAS
