EVENT: **Bedford UCAS Discovery**

DATE: **17-18 June 2024**

OPENING TIMES: **09:30 – 14:30**

VENUE: The University of Bedfordshire

# WELCOME

Thank you for supporting the Bedford UCAS Discovery Exhibition 2024. This event, the largest campus-based UCAS event in the UK, is organized by the University of Bedfordshire in collaboration with UCAS and takes a year to plan. We have over a hundred staff members working on the site to ensure that all visitors have an enjoyable and valuable experience.

After the exhibition, UCAS will send you an evaluation that will help us to identify areas where we can improve and optimize future events. We take all feedback seriously and value your opinions greatly, so we encourage you to complete the evaluation.

It is important to note that the Bedford UCAS Discovery Event is unique in that the majority of the activities take place outside and/or in marquees. Exhibitors in the exhibition marquee may be asked to park on a field, so we recommend wearing appropriate footwear.

Apart from the main exhibition halls, the Bedford UCAS Discovery event features several impartial interactive, event enhancement zones. These include the Demonstration Zone, Student Culture Zone, and Live Music Stage, which provide students with a diverse range of opportunities to learn, engage and explore their post-18 options. If your institution is interested in participating in any of these zones, please do not hesitate to contact us at [scl@beds.ac.uk](mailto:scl@beds.ac.uk).

Thank you once again for supporting the 2024 exhibition. We are looking forward to welcoming you to the University of Bedfordshire in June.

Kindest Regards,

David Seaton

Director of Student Engagement, Recruitment & Admissions

## BREAKDOWN

Breakdown time: Tuesday 18 June 2024: 14:40 - 17:30

Exhibitors must remain on their stands, and not start dismantling them until the exhibition is clear of visitors. We anticipate this to be 5 to 10 minutes after the exhibition closes, at 14:30 on 18 June 2024. To help facilitate this, and ensure health and safety is maintained, the loading doors will stay closed until the venue is clear of visitors.

If exhibitors start dismantling stands while the event is still open, there will be no alternative but to close the exhibition, irrespective of how many visitors remain in the hall. This is because stands which are broken down while visitors are still in the hall pose a health and safety risk. As stated in the exhibitors' code of conduct, all issues raised will be logged and reviewed regularly by UCAS and HELOA. The same principles apply for dismantling, as accessing.

If you think you might need extra time to build your stand (outside the build-up times stated above), please contact [events@ucas.ac.uk](mailto:events@ucas.ac.uk). In some circumstances, early access to the venue on the build-up day may be given, but this is only with the advance permission of the organiser. If advance permission has not been granted, exhibitors will be turned away from the venue until the exhibitor build-up session starts.

## ORGANISERS

The UCAS exhibition is being supported by more than 100 staff members from the University of Bedfordshire. Each exhibition area has its own designated support team led by a senior member of university staff. You can easily identify the team leaders as they will be wearing black University of Bedfordshire polo shirts. If you need to speak to your area's team leader, simply approach any member of the staff team, and they will be happy to arrange this for you.

To speak to the event manager directly, please visit the organiser's office (located in the main exhibition marquee) or contact David Seaton on 07568 130527.

## STORAGE

The University of Bedfordshire has made sure that exhibitors have adequate storage available for their use. If, on the build day, we have placed any of your literature or materials into a storage facility, we will inform you upon arrival where this is located. Your designated Student Ambassador will be able to collect these items for you when required.

If you need to store any suitcases, please speak to a member of staff who will be happy to arrange this for you.
