

# Where students meet their future **face-to-face**

UCAS higher education exhibition

# UCAS exhibition is back!

When:

Where:

We are pleased to announce that we will be supporting UCAS' 2018 higher education exhibitions.

If you've been to a UCAS exhibition before, you'll know they're a great opportunity for your students to discover life after exams, and one of the only chances they'll get to explore and gather information on the different post-18 opportunities available – all under one roof!

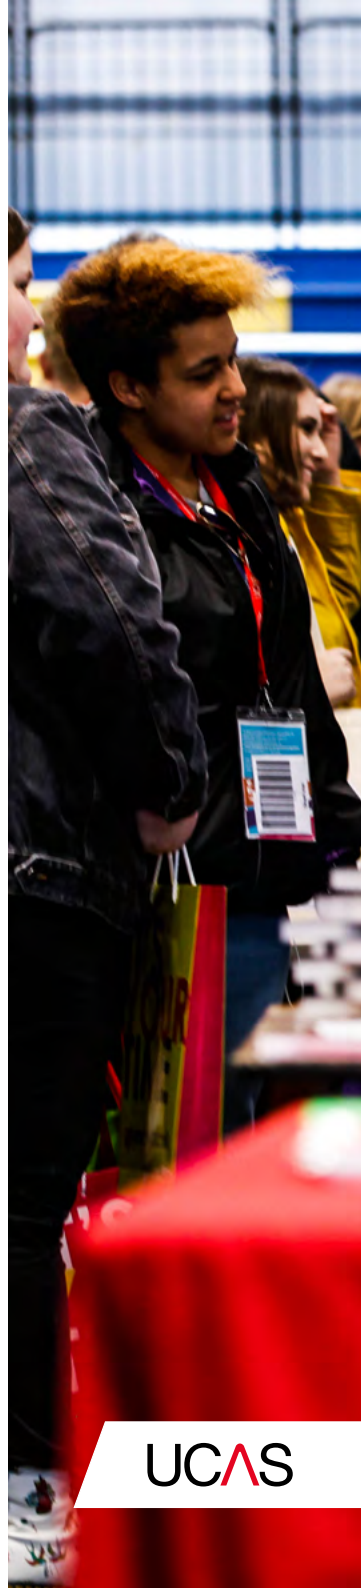

## Exhibitions open up a world of information for your students

- The chance to meet universities, if visiting the campus is not possible.
- Face-to-face time with UCAS experts to learn about the application process.
- Gather details on courses directly from admissions staff – details which may not be available online.
- Ideas on how to make the best use of a gap year or studying abroad.
- Be inspired by the range of apprenticeships.
- Insight from current university students – what uni life is really like!
- Unbiased support and information on student accommodation, student finance, and more.

## There really is something for everyone!

With places filling up fast, **book now** to secure your school's place –
