Definitions

Holds A level Qualification

Indicates if an applicant has achieved an A level or A level Double Award qualification (at least one) as identified either on application or through awarding body linkage process. Please note: This flag is not updated beyond the end of the application cycle for each applicant. (I.e. if an applicant applied in the 2008 cycle without achieving an A level, but went on to obtain this qualification in 2009, the value for the applicant applying in 2008 would remain 'A level qualification not identified'.)

Cycle Year

The cycle in which the application was processed.

Number of Acceptances

Acceptance is defined as an applicant who has been placed for entry into higher education.
