Definitions

Holds SQA Qualification

Indicates if an applicant has achieved an SQA higher or advanced higher qualification (at least one) as identified either on application or through awarding body linkage process. Please note: This flag is not updated beyond the end of the application cycle for each applicant. (I.e. if an applicant applied in the 2008 cycle without achieving an SQA, but went on to obtain this qualification in 2009, the value for the applicant applying in 2008 would remain 'SQA qualification not identified'.)

Cycle Year

The cycle in which the application was processed.

Number of Applicants

Applicant is defined as a person who has made a valid application in the UCAS system.
