

End of Cycle 2017 Data Resources

DR4_002_03 Applications by provider and deadline

UCAS

Statistic: Number of Applications

Variables: Provider Name, Deadline

Coverage: Applications through the main scheme

Definitions

Provider Name

The Higher Education Provider (HEP) at the time of the application. This does not take into account any mergers or renames, for example if HEP A and HEP B merged to become HEP A in 2012, all applications and acceptances will be reported as HEP A from 2012 onwards. Prior to 2012 all applications and acceptances will be reported as HEP A or HEP B as appropriate.

Context notes:

University of East London (E28): In the 2017 cycle a large number of RPAs were not recorded for the University of East London (E28). The actual values for the total number of placed applicants and the number admitted through RPA for this provider will be 862 higher than those reported.

***Further context notes provided by individual providers marked with an asterisk are available to view on www.ucas.com.**

Deadline

The deadline by which applications are required at certain points in the cycle. The number of applications by each Provider are cumulative totals across the following deadlines: October Deadline - 15 October 2016, January Deadline - 15 January 2017, March Deadline - 24 March 2017, June Deadline - 30 June 2017, End of Cycle - Close of the UCAS cycle.

Cycle Year

The cycle in which the application was processed.

Number of Applications

Application is defined as a choice to a course in higher education through the UCAS main scheme. Each applicant can make up to five choices, which was reduced from six in 2008. The number of applications does not include the following acceptance routes: Clearing, Extra, Adjustment and RPAs.
