D.8 Technical notes and definitions

UCAS Teacher Training (UTT) provides an admissions system for higher education, SCITT-based, School Direct, School Direct (salaried) and PG Teaching Apprenticeship courses. In January 2019, The Department for Education (DfE) released its new teacher recruitment and retention strategy. As part of this, DfE confirmed its intention to launch its own postgraduate teacher training admissions service in England. The pilot for this service went live in November 2019, with a continued roll-out during the 2020/21 recruitment cycle. The statistics in this report reflect changes in applications to postgraduate teacher training provision via either the UCAS service or the DfE service, covering the majority of the sector.

Applicants have been able to submit applications for all 2021 postgraduate teacher training courses since 13 October 2020, whilst the 2020 cycle opened on 08 October 2019. This report covers the applications made to any postgraduate teacher training course. Applications made through both the UCAS and DfE services (i.e. applications made by an applicant to the same provider and course) have had their duplicate removed from counts.

Differences in the calendar between the two cycles, for example movement of bank holidays, could affect figure comparisons by week.

From the 2015 cycle onwards, teacher training courses for Scottish providers are included within the UCAS Undergraduate scheme and are reported there.

The reference point for the 2020 cycle data in this report is 00:06 on Monday 20 July 2020.

Values have been rounded to the nearest 5. This may result in instances where totals do not equal the sum of the components.

Categories of a variable are only displayed if the value is larger than zero in one of the columns in the relevant row, after rounding has been applied. Therefore, there may be some categories of some variables which are not displayed.

Applicant

A person who has made an application to UTT or the DfE service during the cycle reported.

Application

An application to a course at a provider made by an applicant. Applicants may make up to three applications in Apply 1 and may only make one application at a time in Apply 2.

Application status

Applications have been assigned to a summary status based on their current state. For Apply 2 only the latest application made is counted. The summary status is the application status from the following:

All states: all applications.

Placed: unconditional firm application.

Conditional placed: conditional firm application.

Holding offer: application with an unconditional or conditional offer which the applicant has not replied to.

Apply route

Applicants may make three applications through Apply 1 and one application at a time through Apply 2. For Apply 2, only the latest application made is counted.

Domicile

Declared area of permanent residence. The Channel Islands and the Isle of Man have been assigned as 'Not EU'.

Provider country and region

The country and region of the UTT provider. For 2021, there are no Scotland or Northern Ireland UTT providers. Scottish teacher training courses are included within the UCAS Undergraduate scheme.

Course phase

The phase the application was made to. The course phase may be primary, secondary or other.

Course type

The type of course the application was made to. The course type may be higher education, SCITT, School Direct, School Direct (salaried) or PG Teaching Apprenticeship.
