How to prepare

UCAS

Plan the plan

- **Plan** for different outcomes
- **Research** universities and courses before results are received
 - UCAS Search
 - University and college websites.
 - Unibuddy
 - Social media
- **Revisit** places already applied – would you consider still going there if the course was available?
- **Create** a list of top choices you could refer to on the day.
- **Research** these choices again including entry requirements.
- **Consider** other factors such as accommodation, sports, fun, campus tour

Create a checklist

- 
- A person is seen from the side, pointing at a large, curved digital display. The display is composed of many small, overlapping images and data visualizations, including cityscapes, people, and abstract patterns. The person is wearing a dark jacket and has their right hand raised, pointing at one of the images on the screen.
- University and College's will usually have their Clearing, and Confirmation information online
 - **Research** phone numbers and opening times (timezones)
 - Identify the **best way to contact** each of the preferred choices.
 - Think about **finances** and **accommodation**.
 - Prepare **questions** for the day – what's important to you?
 - Do they run campus tours?
 - What accommodation is available
 - How long do I have to accept this offer?
 - Are there any bursaries available?

Use all this to **create a crib sheet** for the day so you feel confident.

Top tips.

- Pause. Think. Take time to reflect
- Double check entry requirements and speak to universities about these if you are unsure. – remember these can change during Clearing.
- Have all the information you need to hand
 - UCAS PID number
 - Clearing number
 - Personal statement
 - Qualification results
- **UCAS university choices might be waiting for international qualifications,** so please upload or send transcripts and certificates when available.
- Check time frame for any offers made to accept these.
- Remember you may need to wait.
- Universities and colleges want to speak to applicants.
