

Are you missing out on important updates?

If so, Yammer is our private, secure social network where we can talk to you directly. It's a great environment where you can discuss sector-related topics and ask us questions.

WHY SHOULD I SIGN UP?

- It's a great way to receive the latest updates.
- It's instant.
- You can start your own discussions, talking about sector topics that are important to you.
- Find out more about UCAS and the teams you talk to.
- There's lots of information you won't find in the bulletin.
- You don't have to rely on the primary correspondent to forward on information.

HOW CAN I SIGN UP?

Anyone who is a registered UCAS member can join our Yammer community.

It's really simple to sign up – all we need is your email address. There are three ways you can sign up:

Email yammer@ucas.ac.uk and you'll receive an email from Yammer with details of how to sign up.

Visit www.ucas.com/yammer.
