

ACCESSING UCAS COLLECT IN HEP3

To access Collect in the HEP3 environment, you will need to be logged in on UCAS.COM, and then from the homepage:

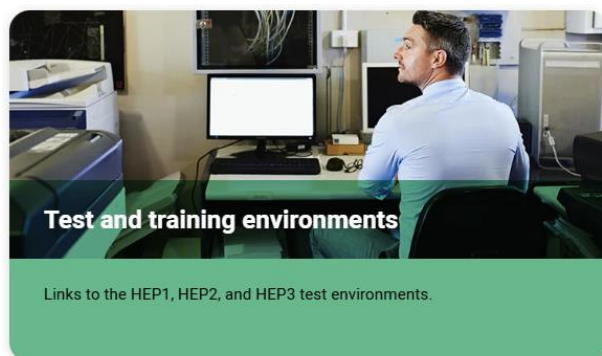

- Scroll down to, and click on, the 'Providers' tile

- Select the 'Our products and services' tile

- Scroll down and click on the 'Test and training environments' tile

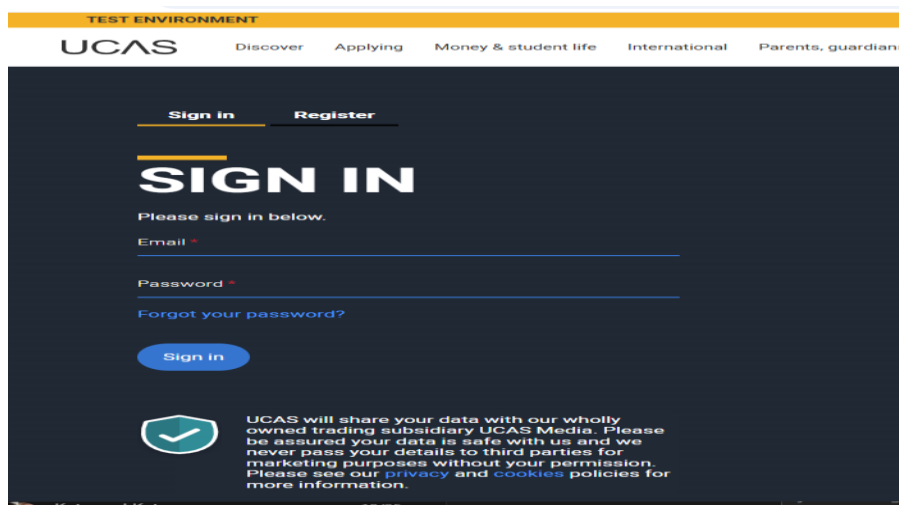

- Select the 'More about HEP3' button

HEP3

This is where you can test our most recently developed systems and services.

[More about HEP3](#)

If you already have a HEP3 account, you just need to log in, however if this is your first time in the environment, you will need to register:

The screenshot shows the UCAS website in a 'TEST ENVIRONMENT'. The navigation bar includes links for 'Discover', 'Applying', 'Money & student life', 'International', and 'Parents, guardians'. The main content area is titled 'SIGN IN' with a 'Sign in' button and a 'Register' link. Below the title, it says 'Please sign in below.' and provides fields for 'Email' and 'Password'. A link for 'Forgot your password?' is also present. At the bottom, there is a green checkmark icon and a privacy notice: 'UCAS will share your data with our wholly owned trading subsidiary UCAS Media. Please be assured your data is safe with us and we never pass your details to third parties for marketing purposes without your permission. Please see our privacy and cookies policies for more information.'

Once registered, you will need the Data Collection Team (coursesdata@ucas.ac.uk or 01242 544864) to give you permission to access the new Collect product. When this has been confirmed as done for you, you'll need to log out and back in again and on your dashboard, you'll see a 'UCAS Collect' tile.

BETA**UCAS Collect**

Test the new tool for managing provider and course details. Launching for the 2027 cycle.
