## When you arrive

On arrival, please head to the main entrance of the arena, via Bolero Square. Please have your ticket ready to scan into the event. Every person attending the event will need to have pre-registered and downloaded their ticket before they enter the venue. If you have issues with a cracked phone screen, please bring a printed copy of your ticket to be scanned.

Your exhibition ticket is personal to you and should not be passed on to other group members, as this could compromise the security of your data. To comply with data protection regulations, it's essential that individuals at our exhibitions use their own ticket – both on entering, and when visiting exhibitors' stands. Anyone found to be in breach of this will be asked to leave the event and register again to be readmitted.

**Please be aware, the venue will be conducting random security searches.** This is for your own safety and that of other visitors, and we thank you for your patience while this takes place. Please do not bring any bags to the event. Bags larger than 35cm x 40cm x 19cm will not be allowed into the venue, and there are no lockers or storage facilities available.

If you need to bring a bag for medical reasons, please contact the venue in advance. Laptops and other large electronic devices are not permitted into the venue, please see the venues [terms and conditions](#) for a more extensive list of prohibited items.
