PLANS

UCAS has created a range of ready-to-use lesson plans to help you spark meaningful career conversations with your students.

Designed to support key decision-making moments and align with the Gatsby Benchmarks and CDI Framework, these resources make it easy to highlight a range of future pathways.

1	Exploring your passions
2	Thinking about apprenticeships
3	Getting ready for UCAS Discovery
4	Researching your future options

UCAS

ucas.com/hub-advise

The UCAS Hub is more than just an application tool – it's a guiding light for students navigating their future.

From apprenticeships to university the UCAS Hub illuminates every option in one free easy-to-use platform.

NING A LIGHT AT EVERV SIEP

GET STARTED EARLY

Your students can register any time on the UCAS Hub (from 14+) to start exploring.

EXPLORE THEIR OPTIONS

From favourite subjects, to universities, employers, courses, apprenticeships, and more - it's the perfect way for them to create a list of options.

HAVE THEM TAKE THE **CAREERS QUIZ**

3

They'll get careers ideas to match their personality, interests, and skills.

BOOK A LOCAL UCAS DISCOVERY EVENT

10

Their opportunity to explore different unis, apprenticeships and employers, and get their questions answered by the experts.

CHAT TO **CURRENT STUDENTS**

9

A safeguarded opportunity to ask questions and get advice about the uni, subjects and location from someone already living it.

_

DISCOVER SUBJECT AND INDUSTRY GUIDES

8

Covering 75 different subjects and more than 15 industries they can find out career and salary opportunities and see what current students and apprentices think.

TALK FINANCE

We'll help them understand potential study costs and funding options, including student loans and scholarships.

FIND AN OPEN DAY

Discover hundreds of open day opportunities and book their spot in the Open Days search tool.

SUPPORTING THE SHORTLIST

13

Use their favourites to help shortlist their options: unis, courses, apprenticeships, and further education.

You'll find supporting lesson plans for each stage of their discovery journey at ucas.com/hub-adviser.

COMPLETE SUBJECT TASTERS

Explore topics and subjects they can actually study with real lecturers. There's over 100 to choose from – it's the perfect way to try before they apply and get a certificate for their records.

EXPLORE THE WORLD OF WORK

Discover more than 50 virtual work experiences with top employers like the NHS, Airbus, the Met Office, and Amazon. Perfect for their CV, applications and personal statement.

EXPLORE APPRENTICESHIPS

Have them take a closer look at apprenticeships, courses and job opportunities, then use CV builder to kickstart their CV.

FAVOURITE THEIR OPTIONS

6

Save their research and their favourites using the heart icon - or if they're still not sure we can show them other options.

FOR THOSE UNSURE

|4

They can get info on gap years and internships if that's something that could help them to decide.

START THEIR APPLICATION

15

When they're clear on their next step they can start their application with confidence - either for uni or a CV.
