# LEGAL AND COMPLIANCE

**All creatives must comply with all applicable legal and regulatory requirements including (but not limited to the following):**

- ▶ DMA and CAP Codes
- ▶ ASA Guidelines
- ▶ FCA regulations
- ▶ Consumer Protection from Unfair Trading Regulations 2008
- ▶ If the Customer is regulated by any other body (e.g. Food Standards Agency, Advertising Standards Agency, Health and Safety Executive) it is the responsibility of the Customer to ensure the creative complies with any regulations or guidance issued by the relevant body.

Where the creatives contain any regulated content, it shall be subject to additional checks by UCAS which may impact on the proposed send date and may require changes to your creative including additional footers.

## **UCAS will not accept advertisements:**

- ▶ in relation to products which may not be in the best interests of students.
- ▶ which could in any way undermine or potentially damage UCAS' name or reputation as an official and trustworthy body and as a registered charity.
- ▶ from companies, businesses or organisations which are not able to demonstrate that they are established and reputable concerns and suitable to be associated with UCAS.
- ▶ which in any way could be misleading to students, or which make any representations which cannot be substantiated to the satisfaction of UCAS.
- ▶ containing messages or images that are (or could be perceived to be) offensive, or relating to sex, violence, drugs, gambling, and alcohol. UCAS will not distribute content that is deemed to be inappropriate for any reason (not limited to those listed) or is deemed to adversely affect UCAS.
- ▶ adverts which for any reason UCAS consider are inappropriate or unsuitable for its customer audience.

# EMAIL SPECIFICATIONS

All creatives will be sent with our header and footer – this is a legal requirement.  
Responsive html emails will require you to build this in yourselves.

The use of tracking cookies on UCAS' websites or products is prohibited

- ▶ A creative less than 75KB (incl. images)
- ▶ Please ensure all your click trackers are included in the code

- ▶ Any `<div></div>` tags
- ▶ JavaScript
- ▶ EMBED tags
- ▶ Attributes in the BODY tag
- ▶ Background images
- ▶ Mapping and coordinate style coding

### Deadline

Please send your creative **21 full days** before the scheduled send.

Late / incomplete artwork may result in your send being delayed or cancelled.

Translations for creatives in a foreign language can take up to a week longer than usual so please send these **28 full days** before the scheduled send date.

Do not rely on external (`<link rel="stylesheet">`) or embedded style sheets (those contained within the `<style>` tag above the `<body>` tag). Many email services cut everything above the body tag, and disable external style sheets.

# BUILDING MOBILE RESPONSIVE HTML CODE

If you are using media queries to build a mobile responsive HTML email, please build our standard UCAS header and footer into your HTML (download links below). Unfortunately, this is not something we can implement for you due to the risk of breaking your code.

Both header and footer need to be on a white background, and for the text to be left aligned. Please do not copy and paste your code into the template.

## **Generic Clearing header and footer**

## **Applicant accommodation header and footer**

Please contact your Customer Manager or contact [services@ucas.ac.uk](mailto:services@ucas.ac.uk) for more information before supplying creatives of this type.

**74% OF  
STUDENTS**

surveyed said they usually open UCAS emails on their mobile.

# CAN'T PROVIDE HTML?

If you're unable to provide an HTML email, UCAS offers a choice of five mobile responsive templates (choices below). Please note, there is no flexibility to amend the layout, and these designs are fixed.

Please supply us with all the images, text and links (including tracking links) for us to build your email into one of the below templates.

All assets need to adhere to the template of your choosing – i.e. the images must be provided in the sizes specified below. Please ensure that header images contain your logo.

- ▶ **One column**
- ▶ **Two columns**
- ▶ **Two columns alternate**
- ▶ **Three columns**
- ▶ **Large hero template**

If you are using a UCAS Template build, you now have the following colour theme options. Please pick one per email.

**slate #1f2834 blue #3b92d9 aqua #3bc0c7 green #5db88d  
purple #836cd8 coral #fb705b yellow #fbc652.**

If you wish to provide us with your chosen HEX codes we can amend these templates to match your branding.

Where a colour is not specified, UCAS will apply the default colour of 'slate' or a colour that is felt to best compliment the campaign content.

# LEGAL REQUIREMENTS

Your creative will be sent from the relevant UCAS sender address.

## OUR INTRODUCTION

We are legally required to state who we are sending the email on behalf of. Your company name will be added into our introduction – i.e. 'This email comes from UCAS Media. We're sending you this on behalf of [client name], because – based on what you told us about yourself – we think you might find it useful.'

## OPT OUT SCRIPT

Our opt out message is linked to a UCAS suppression list. You are, therefore, not required to provide an opt out link of your own. We will actively remove this to avoid confusion for the recipient, and any breach of DMA guidelines.

\*(Where the creatives contain any regulated content, it shall be subject to additional checks by UCAS which may impact on the proposed send date and may require changes to your creative including additional footers).

# IMPORTANT INFORMATION

We would not recommend the use of all-image creative, as these can be blocked and create a poor user experience. Images may also be blocked, which would impact the look of the email. Please be aware that spam filters may be triggered when specific words and phrases are used in the body or subject line.

## EXAMPLES OF WHAT TO AVOID:

- ▶ 'Money back'
- ▶ 'Cards accepted'
- ▶ 'Removal instructions'
- ▶ 'Extra income'
- ▶ '000'
- ▶ '£'
- ▶ 'For free'
- ▶ Capitalised subject lines

Content must not contain messages or images that are (or could be perceived to be) offensive, or relating to sex, violence, drugs, gambling, and alcohol. UCAS will not distribute content that is deemed to be inappropriate for any reason (not limited to those listed), or is deemed to adversely affect the UCAS spam score, with the final decision at the discretion of UCAS.

Please note, translations for creatives in a foreign language can take up to a week longer than usual.
