

End of Cycle 2015 Data Resources

DR2_013_06 Applicants by age and domicile

Statistic: Number of Applicants

Variables: Age Band , Applicant Domicile (High Level) , Cycle Year

Coverage: Applied before June deadline and UK domiciled

Definitions

Applicant Domicile (High Level)

Applicant's area of permanent residence summarised at a high level, individual UK country, EU and not EU. This variable is derived from domicile as declared by the applicant and does not guarantee fee status. The Channel Islands and the Isle of Man are assigned as 'Not EU'. See the additional technical notes at www.ucas.com for coverage and trends for Scotland.

Age Band

Derived from date of birth declared by the applicant, age is aligned with the cut off points for school/college cohorts within the different administrations of the UK. For England and Wales ages are defined on the 31 August, for Northern Ireland on the 1 July and for Scotland on the 28 February the following year. Defining ages in this way matches the assignment of children to school cohorts. For applicants outside of the UK the cohort cut off for England and Wales has been used. Age then is grouped in the following bands: '17 and under', '18', '19', '20', '21 and Over'. Please note: if the derived age is outside of the range 11-100 then it is set to 18 by default.

Cycle Year

The cycle in which the application was processed.

Number of Applicants

Applicant is defined as a person who has made a valid application in the UCAS system.

UCAS: DR2_013_06 Applicants by age and domicile (Applied before June deadline and UK domiciled)

Age Band , Applicant Domicile (High Level)		Number of Applicants by Cycle Year
