

# End of Cycle 2015 Data Resources

## DR3\_014\_01 Acceptances by subject group and sex

UCAS

**Statistic:** Number of Acceptances

**Variables:** Subject Group (Summary Level) , Sex , Cycle Year

**Coverage:** All

### Definitions

#### Sex

Sex as declared by the applicant.

#### Subject Group (Summary Level)

Classifies courses into a summary level of 26 subjects. Each course is assigned up to three valid JACS3 subject codes (e.g. G100 – Mathematics) and a course balance indicator by UCAS, which are available for review by the provider. The course is assigned a subject based on these JACS3 subject codes and balance indicator, it largely correlates to the first two characters of the subject codes. Where there are more than one JACS3 subject codes for a given course, and the balance indicator is dual or triple, the first two characters of each subject code are reported in combination to a relevant category (e.g. Course with dual balance indicator with JACS3 subject codes B940 = Counselling and C843= Counselling psychology is assigned a subject 'Y Combined sciences'). Please note: Between 2007 and 2011 the subject codes assigned to each course were from the JACS2.0 classification, therefore JACS3 versions of the subject categories have been approximated for 2007 to 2011 to allow a consistent time series.

#### Cycle Year

The cycle in which the application was processed.

#### Number of Acceptances

Acceptance is defined as an applicant who has been placed for entry into higher education.

UCAS: DR3\_014\_01 Acceptances by subject group and sex (All)

Subject Group (Summary Level) , Sex		Number of Acceptances by Cycle Year								
		2007	2008	2009	2010	2011	2012	2013	2014	2015
Group A Medicine and Dentistry	Men	3,930	4,030	4,110	4,075	4,105	4,140	3,855	3,845	3,840
