

UCAS Teacher Training – how to withdraw a choice in Track

If you're sure you already have the offer you want, you can accept it. But first you'll need to withdraw from any outstanding choices. To do this follow our simple steps:

1. Log in to Track and click 'choices' from the top menu.
2. Click on the choice (the red text) you want to withdraw from.

confirm withdrawal?

If you choose to withdraw from this choice and later want to be reconsidered you will only be able to do so if the training programme is still open and you re-refer your application to the provider through Apply 2. If you are certain you want to proceed please click on confirm, otherwise please click on cancel.
